Pittsburgh Amateur Hockey League
PAHL
Academic All-Star Program

The Academic All-Star Program is designed to provide recognition for academic success to students who also play the sport of hockey. **The program is for any hockey player within PAHL in grades 1 through 12. Only Mites who participate in the PAHL MITE ADM program are eligible.** The program's purpose is to endorse academics and provide a means to recognize student achievement at school. The guidelines are as follows:

1. The student must be rostered with a PAHL amateur association.
2. Students may submit this application form to their principal **AFTER** the 3rd six weeks grading period, or **AFTER** the 2nd nine weeks grading period. This is typically toward the end of January. **The principal's signature must be on the application.**
3. The player's guidance counselor will verify whether the player maintained a **cumulative G.P.A.** of at least 3.5 (on a 4.0 scale) according to the district's grading policy. (this is cumulative for the current school year) The guidance counselor will also have to approve equivalency to the 3.5 if the school utilizes a Pass/Fail policy only. If the school does not have a counselor, the principal is to verify the student's grade.
4. Upon receipt of the completed application and verification of the G.P.A., the student will be mailed a PAHL Academic All-Star certificate and patch.
5. If the student is home-schooled, additional information will be needed to verify eligibility. Please contact Darcee Purvis at 724-853-2474.

Applications should be legible, neat, and complete. **The PAHL cannot be held responsible for applications which cannot be read or are incomplete.** All completed applications are to be sent to the address below. All applications must be received no later than **March 15, 2017**. Any application thought to be received prior to the end of the 3rd six weeks or 2nd nine weeks grading period will not be considered.

All certificates and patches will be mailed to the player's home address as completed on the application form this year. It is <u>not</u> necessary to enclose stamps or payment. Postage expense will be covered by the PAHL.
