

PAHL TEAM MANAGER UPDATE

1718.001

WELCOME TO THE PAHL 2017-2018 SEASON !

The start of the season is fast approaching. Those of you who volunteer your time in our sport are to be thanked and commended. The success of our league and our member associations is due in a large part to your tireless efforts and the time you spend supporting and administering the programs and structure of youth hockey in our PAHL market.

Team Managers will be updated during the season via broadcast emails with materials and information to assist with team duties. Team Manager Updates will be posted on the PAHL website for your reference. Please also feel free to pass along to your team parents.

Tune in to the league website, www.pahockey.com, frequently. The website is updated continually throughout the season. In addition, there is a Facebook news feed on the home page which you can access through the site, or friend PAHL on your own Facebook page.

Review the **1718 PAHL Rules and Regulations**. They are available on the main website, the mobile website, and can be downloaded and printed if you want a hard copy.
