

Greetings,

North Hills Amateur Hockey Association (aka Pittsburgh Vipers) is hosting the girls' playoffs this year. Please check out the website for up-to-date information:
www.pittsburghvipers.com/girls

I am the Girls Hockey Coordinator for the Pittsburgh Vipers. My contact information is TriciaKreitzer@comcast.net and cell phone is 412-576-9620. Please email, call, or text with any questions.

The Girls Hockey Playoffs will be March 4 - 5, 2017 at Pittsburgh Ice Arena. The address for the rink is: 700 Craigdell Road, New Kensington, PA 15068. The schedule is attached to this email and on the website.

There will be a check-in table at the rink. The cost of each playoff game is \$225. and checks should be made payable to NHAHA and will be collected at check-in. Please have a copy of roster and labels for score sheets for each game. Each player must sign-in too.

The Vipers are committed to making this year's playoffs something special for our female hockey players. We have association banners that will be given to each association after the playoffs. Photos of each team will be taken prior to each game on Saturday. Action photos of the games will also be taken. All photos will be available through our website.

There will be door prizes, one drawing per game. We will have many raffle baskets and several vendors including: LulaRoe, Tastefully Simple, Paparazzi Jewelry, Premier Designs, Custom Designed Plaques, Homemade Soaps, Handmade Penguin Gifts, Bake Sale, & Hockey Charm Jewelry. More information is available on website and will be updated with new information.

We will have an off-ice skills competition available to ALL girls. This is an individual competition so the girls don't have to wait for their whole team. We would love to have the 16U teams participate in the skills competition and we will happily take team photos too, bring jerseys to wear over "street" clothes.

Remember that on Sunday, there is a Ponytail Jamboree for ADM girls. They will love to have lots of spectators in the stands. The rink is organizing a Girl Scout Hockey event that weekend too.

We would like all associations to communicate the event and encourage other players to come cheer the girls on to make this year's playoffs exciting for all. If anyone posts pictures or details about the playoffs, remember to use #pahlgirlshockey.

Look for email with a t-shirt pre-sale in the next few days.
